Should more nominees be added to the list, an elimination election may be held Friday, October 16.

Roberta Kordes

Sigma Sigma Sigma, Phi Sigma Epsilon, and Kappa Omicron Phi nominee. John Barrett will be her manager.

Carol Kay Trotter

Alpha Sigma Alpha and Sigma Tau Gamma nominee. Frank Russell will be her manager.

Joy White

Delta Sigma Epsilon and Tau Kappa Epsilon nominee. Ray Nethkin will be her manager.

Joyce Brown

Independent Club nominee. Bub Williams will be her manager.

Honor and Reward Come to Students Who Participate

By JIM ALBERTSON

Homecoming activities are now in full swing. The various committees are organizing and carrying out their duties.

Everyone is urged to help the organizations he belongs to. Although Homecoming takes much time and effort, there are awards for those who work the hardest.

Awards are to be given at the variety show to be held October 23. Plaques will be given to those who win either first, second, or third place with their skit. Five points will be awarded for first place, four points for second place, three points for third place, two points for fourth place, and one point for fifth place. These points help in determining the winner of the Homecoming supremacy cup.

Cash awards, trophy plaques, and points can also be won for participation in the Homecoming parade.

Floats for the Homecoming parade will be divided between two classes. Cash prizes will be given for both class A and class B. Class A is considered to be the beauty class. First prize consists of \$40, second \$30, third \$20, fourth \$10, and fifth \$5.

Class B is the humorous class. A first prize of \$25 will be given with second place bringing \$10 and third place \$5.

First, second, and third place plaques will be presented to the winning groups for parade participation. These awards are based on the quantity and quality of the organizations' participation.

Points toward the supremacy trophy will be awarded on a 5-4-3-2-1 basis for the first five places in parade activities.

Cash awards will be received by the best individual clowns, too. First place offers \$10, second \$7.50, third \$5.50, fourth \$2.50, and fifth \$2.50. The best group of clowns will be awarded \$15. Cash prizes for the best jaloopies will be given on the same basis as those for the individual clowns.

House decorations are also included in the qualifications for the trophy. Cash awards will be \$10 for first place, \$8 for second, \$6 for third, \$4 for fourth, and \$2.50 for fifth. Point awards toward the supremacy cup will be given on a 5-4-3-2-1 basis for first, second, third, fourth, and fifth places. Trophies will be given to the winners of first, second, and third place.

Each organization sponsoring a function for returning alumni will receive one point toward the cup.

Participation, spirit, and cooperation are also considered in selecting the winner. Organizations will be awarded first, second, third, fourth, and fifth place on the foregoing things, and points will be given toward the supremacy cup.

Here is an opportunity for everyone to help in making Homecoming a success and to receive money and awards, too.

Mr. Dieterich Speaks To P. T. A. at Graham

H. R. Dieterich, principal of Horace Mann, spoke at the Graham P. T. A. meeting, October 6. His subject was “The Kind of Parent that Students and Pupils Like.”

Preceding the meeting, Mr. and Mrs. Dieterich were dinner guests of Mr. and Mrs. B. E. Bird of Graham. Mr. and Mrs. Bird are former students of the College.

Mr. Michael Fielding, world traveler, replaced Mr. Phil LaFollette as a teachers' meeting speaker.

All Reservations for Organizational Functions Should be Received by Oct. 21

M Club Stages Another Walkout

BOB SCOTT

More than 300 enthusiastic students of the freshman class were the “stars” of the annual Walkout Day, Tuesday, October 6. A well managed and ruthless M Club sponsored the day's festivities with an initiation which was well received by the upperclassmen.

When eight o'clock classes started it was just another day at NWMSC; but when the bell on the campus rang at 8:10, everyone knew that the normal school day had ended and the fun for all had begun.

With the very able president of the M Club, Bob Kariger, supervising, the M Club members lined the freshmen in pairs of a boy and a girl. They marched to town to the court house square.

During the march the procession stopped at the edge of the campus and students were led in yells by cheerleaders Phyllis Jones, Nancy Snidow, and Bev Murphy, assisted by Larry Moore and Bob Eggleston.

Arriving at the front steps of the court house, the freshman of-

fenders were given sentences by George Nathan and the punishment was carried out by the M Club. Haircuts, shampoos, and “smooching demonstrations” were the penalties given.

After Kangaroo Court, a freshman congo line led the way to College pond where Ernie Hutchings and Gil Obregon of the M Club participated in a jousting bout with Ken Tobin and Kirby Norman of the freshmen. The ending was unplanned by the M Club and all four were given a cold dunking when their two canoes capsized.

After a flour fight among the freshmen, the sororities, fraternities, and Independent Club had a few team competition races. A tug of war between the freshman boys resulted in a water hose fight with the M Club.

Rick Tilton and George Kling were masters of ceremonies at the variety show at the Tivoli theater Tuesday afternoon. A full length movie followed the variety show. A dance climaxed the day's festivities at the Student Union.

President Jones Goes To McPherson College

Dr. J. W. Jones, president of the College, and chairman of the visitation committee for the American Association of Colleges for Teacher Education, toured McPherson College, McPherson, Kansas, this past week.

The visit was made in preparation for passing upon the application of the college for membership into the association.

Dr. Jones was accompanied by Dr. W. A. Brandenburg, Dr. Leon F. Miller, and Dr. Robert E. DuBey of the College.

Tilton and Kling Are Emcees
Rick Tilton and George Kling have been chosen to be the masters of ceremonies for the variety show. They appeared in this capacity at the Walkout Day stage show and proved to be very capable entertainers.

Paxton P. Price, state librarian, was guest speaker at the meeting of high school librarians here last Friday.

Carolyn Butt Tells

Of Summer Spent in Puerto Rico

By JOAN CARTWRIGHT

Miss Carolyn Butt, Westboro, visited in Puerto Rico last summer for two months. She was one of six representing the national 4-H clubs in the exchange program to promote better world understanding.

Carolyn is a former Northwest Missourian club editor. She was graduated January, 1953, and is now teaching French and English at Rockport.

Puerto Ricans are wonderful, Miss Butt thinks. They are eager to know North Americans, and they are sincerely friendly and happy. The family with whom Carolyn lived graciously accepted her as a part of the family. She plans to return for a visit with them next summer.

So happy are these people that one cannot be sad with them. Everyone swims, everyone dances. Carolyn easily became accustomed to dancing until six in the morning although she wondered at first if she ever would.

People from all classes are educated. In crowded schools, chil-

dren go half of the day from August 1 to the last of June. They have free public education. One of the best universities in the new world is the University of Rio Piedras.

Clothing is imported from the United States. People dress as we do except that formals are worn Saturday and Sunday evenings.

Rich families have several servants with each having specific work to do. Members of the family did not have a great deal of work to do. Carolyn did some sewing plus miscellaneous tasks as the girls of the family did.

Wages are low for poor people, and health conditions are serious because 85 per cent of the population is poor. W. P. A. projects are not successful.

Rice and beans make up a great part of the menu for rich and poor alike.

Seldom does the temperature rise above 90 or fall below 60. The island is 100 miles long and 25 miles wide. No one lives far from the beach.

Chest X-Ray to Be In Maryville Soon

All campus students and employees and their families will have the opportunity for early chest diagnosis. The portable X-Ray will be in Maryville on the following dates: Friday, November 6, 9 to 11 a. m., Horace Mann gymnasium; Saturday, November 7, 9 to 11 a. m., 2 to 5 p. m., and 7 to 9 p. m., Maryville Court House; Monday, November 9, 9 to 11 a. m., Washington High School.

Cost of the X-Ray is 75c. The students will not be excused from class responsibilities for having the X-Ray. The importance of this X-Ray to the health of an adult cannot be overestimated.

Dr. Fulsom Is Called Home

Dr. Ralph E. Fulsom, chairman of the speech department, was called to his home in Greenwood, Arkansas, this past week by the serious illness of his mother.

Choose Your Queen!

Students Direct Games For Annual Play Day

Game activities for the annual fall round-up of Girl Scouts were directed by the women's physical education department at Franklin Park, Wednesday, October 7.

Phyllis Hayes, Ann Corless, Virdean Dorman, Lois Kemper, Dixie Moore, and Gerry Struck planned and directed the play day under the supervision of Miss Bonnie Magill, chairman of the women's physical education department.

ENTERTAIN FOR RUSSELL

Maryville alumni and former students of Columbia University, New York, had as their luncheon guest at the Ogden Tea Room last Friday Dr. William F. Russell, president, Teachers College, Columbia University.

Present were Miss Chloe Millikan, Mrs. Albert Kuchs, Miss Mary Keith, Miss Violette Hunter, Miss Dora B. Smith, Mrs. Harry Sheetz, Miss Mae Corwin, Mrs. Clun Price, Miss Bonnie Magill, Miss Ann Gorsuch, Miss Neva Ross, Mr. Everett Brown, Dr. Leon Miller, Dr. Russell.

President J. W. Jones Makes Special Study

President J. W. Jones recently wrote an article which was published in the sixth year book of the American Association of Colleges for 1953.

In that article, he explains the purpose of the questionnaires which were sent to members of the association and the soundness of the results.

The development of a manual which would present a description of some of the outstanding programs which have been developed to realize the improvement of social competence of students.

Some responses were received in regard to the questionnaires; and in reply to them, Dr. Jones says that the manual is being devised in order to be of assistance to the

members. There is no desire to imply that social competence can be developed as the result of either direct or indirect instruction. It probably comes as a by-product of both.

Dr. Jones' opinion is that social competence should be one of the by-products of a liberal education and that it is also an important factor in teacher education.

Faculty Notes

Dr. Robert E. DuBey has been selected as Director of the Instructional Materials Bureau. Dr. DuBey holds a M. A. degree in history and English from Michigan State College in Lansing, Michigan; an A. M. degree in history and education from the University of Michigan in Ann Arbor and a Doctor of Education degree from the University of Florida in Gainesville. He has also done additional graduate work in languages at Wayne University in Detroit.

Dr. DuBey has been a teacher in the public schools in Roseville, Michigan, and in Lincoln Park, Michigan. From 1951-1953 he was chairman of the department of education at Piedmont College in Demorest, Georgia. During World War II, he served with the army.

Miss Doris M. Hysler spent most of this past summer studying dance at Colorado College in Colorado Springs. She studied under Honya Holm and her assistant, Oliver Kostock, both of New York.

Miss Holm is one of the four outstanding people in modern dance in the United States and wrote the dance choreography for the Broadway production of "Kiss Me Kate."

Miss Hysler also participated in a dance program which was presented by the college dance group.

At the conclusion of the summer school, Miss Hysler toured the South, visiting many points of interest. She then spent the remainder of her vacation at her home in Springfield, Illinois.

Dr. Glenn J. Hoffman has been selected to replace Dr. J. K. Sowards as humanities instructor. Dr. Hoffman received his A. B. degree in music and history from the Central Michigan College of Education in 1947.

In 1948, he received his M. A. degree in European history from the University of Michigan, and in June, 1953, he received his Ph. D. from the same university.

Dr. Hoffman was an instructor in history at Michigan University for two years, and during the past year, he attended a seminar in history in Brussels, Belgium.

Robert P. Foster, registrar at Northwest Missouri State College, will attend an executive committee meeting of the American Association of Collegiate registrars and administrators, in St. Louis Thursday.

They're Talking About . . .

By Doris Yungschlager

Dick Maeder's ability to recite poetry in speech class. . . . people sitting next to him enjoy it very much.

Walkout Day . . . finally happened . . . Larry Moore's mohawk . . . Harold Baker, Charles Gorton, Stan Stanton, and a few others' new "crews" . . . Betty Rion's free shampoo . . . Bob Steele's passionate embrace . . . he ought to be in Hollywood . . . a few other lads didn't do badly, either.

Kathleen Tobin and Darlene Stamp on stage . . . Darlene's hiding place . . . Ricky Tilton's soft shoes and vocal routine . . . real talent . . . John Russell's hot piano . . . hep to say the least.

John Lindell stretching his legs to help the Taus win the football relay . . . maybe he's practicing up for bigger things. TEKE's going all out for serenading . . . even had a soloist last time. Skating rink's sudden attraction for college students . . . the four guys that skated the last twenty minutes . . . that was enough, wasn't it?

All the visitors on the campus . . . Dwayne "Casey" Cox was a familiar face wandering around the campus . . . Teachers' meeting brought many others back.

John Russell's brother, Frank, pounding out a boogie beat on the skating rink piano . . . nimble fingers with the jive must run in the family. A statement heard the other day . . . "I just washed my hands and can't do a thing with them."

Freshmen Say . . .

The one scene on the campus which has made a particular impression upon me is the long walk from the front of the administration building to the other end of the campus, near the entrance drive.

—Jim Joy

Every one of the buildings made an impression on me. As I thought about this college, I knew that I would be proud to go to school here for the next four years.

—Charles Jones

Personally, I love to hear the teachers talk about themselves. Most of them have something interesting to tell about.

—Yvonne Blair

The one thing I like about this college is that I will be able to acquire a business course and still be able to have social life on the campus and be with my friends. My new experiences will be many and, in numerous cases, educational.

—Darlene Case

There are really many things I like about this college, but the one thing I like most is band. I always liked band in high school; so I

thought I would try it in college also. I have found that I didn't make a mistake in doing so.

—Shirley Heits

The first thing I noticed when I arrived on the campus was the friendliness of the faculty and students. It makes a new situation seem much better when those you are associated with are friendly.

—Sherry Grindstaff

During the spring before I entered Northwest Missouri State, I had the chance to look over many colleges and talk to many students. I hope I will remember to treat all visitors the way I was treated and maybe some of them will want to come to school here also.

—Ronald O'Dell

One night, I was walking from town, coming toward the administration building. It amazed me so much I just stopped and stared at it. It was dark and the spotlights were shining on the entrance, with the motto over the door, "and the truth shall make you free." A motto can have no more truth than that.

—Stanley Ebersold

College is one of the most wonderful things that has ever happened to me. Perhaps that's partly because, ever since I was small, I've dreamed of going to college, and at last my dream has become a reality.

—Colleen Beggs

Our library building is a nice place to study, with proper lighting and ventilation. There are hundreds of books to choose from to read and study.

—Russell Morris

LITTLE MAN ON CAMPUS

by Dick Bibler

"Ordinarily I don't go along with student lesson planning, but every now and then they come up with something pretty good."

THE STROLLER

Don Juan isn't really dead at all! And judging from the performance rendered by Bob Steele, Cliff Agenstein, and a few others at Kangaroo Court on Walk Out Day, he can't be too far away.

Does cheerleading always embarrass Nancy Snidow, or was there something in particular responsible for her flaming complexion at one time during the Rolla game?

The M Club did its best to keep the girls round here from getting ahead of the fellows in this hair-cutting business. The fellows wielding the razor at Kangaroo Court are running "Freddy" some pretty stiff competition.

"Oh! My gosh!" evidently was the wrong thing for A. W. Murray to say when it was "suggested" that the freshmen sing on their way to town. Arrangements were promptly made so that he could neither sing nor talk.

With his unusual talent, D. A. Yount could do a tremendous business picking locks for certain interested parties at Residence Hall.

I think Northwest Missouri State College is well worth attending if you are really wanting a good education.

—Kathleen Tobin

From the very moment I arrived on the campus, I felt at home. The girls in the dormitory were all anxious to help the freshmen to get settled. They were so kind about answering our numerous questions and telling us where things were located.

—Wanda Lee Dugger

AT COLLEGE WEDNESDAY

The Northwest Missouri State College music department will present a faculty recital for the college assembly at 10 o'clock Wednesday morning. Kenneth Bird and Ruth Miller will be the pianists, Gilbert A. Whitney will be the baritone, and John Smay will be the clarinetist.

Take Tower Pictures

Pictures of the various organizations were taken for the Tower, Monday and Tuesday nights, October 12 and 13.

Attend Peru Homecoming

Barbara Boyd and Doris Yungschlager attended Homecoming at Nebraska State College, Peru, Nebraska, last week-end.

Classes Elect New Officers for Year

New class officers have been elected by the sophomore, junior, and senior classes this week. Sophomore officers are Bob Smith, Maryville, president; Martha Newman, vice-president, Carrollton; Mrs. Jack Moore, Maryville, secretary; and Teresa Tobin, Burlington Junction, treasurer.

Bob Shea of St. Joseph was elected, president of the junior class, and Frank Bayless of Coin, Iowa, was elected vice-president.

Senior class officers are Wayne McDaniels, Sullivan, president; Dick Merkle, Coin, Iowa, vice-president; Jane Kurtz, Maryville, secretary; and Joyce Haws, St. Joseph, treasurer. Dr. John L. Harr is senior class sponsor.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to inculcate a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Miss Mattie Dykes Receives Press Citation

Miss Mattie Dykes recently attend the Missouri Women's Press Club at Arrowhead Lodge, Lake of the Ozarks.

She was awarded a citation for her work in Missouri and National Press Clubs. She was president of the National Federation of Press Women 1951-53, succeeding Mrs. B. J. Bless, Weston. Missouri is the first state to give two national presidents to this club.

Miss Dykes attend the two sessions Saturday and Sunday and was the guest speaker of the luncheon Sunday noon.

The citation she received is as follows: "In recognition of her continuous and inspiring work in the Missouri Women's Press Club and especially for her fine work as Pres-

ident of the National Federation of Press Women 1951-53, which brought honor and prestige to the Missouri Women's Press Club as well as to the National Federation of Press Women. As chairman of the Women's committee of the Editorial Association, she developed a firm friendship between the National Editorial Association and the National Federation of Press Women. She brought dignity and a high standard of excellence to all of the publications and utterance of the National Federation of Press Women; she greatly increased the membership of state clubs and brought them into the national organization thus expanding co-operation, friendship and knowledge of one another among the women jour-

nalists of the nation. Now editor of Press Woman, official magazine of the National Federation of Press Women, she also formerly served as national treasurer."

She is the author of a biography of Jocelyn Miller, a critical study of Walt Whitman, and with Virginia Coe Hamman edited "Signatures," a book of college verse. She is now writing a history of Northwest Missouri State College to be published in time for the fiftieth anniversary of the college.

She edited the college paper for a number of years and has had numerous poems and articles published in newspapers and magazines and has won both state and national prizes for her poems and essays.

Delta Sigmas

Rushing is over and attention can now be turned to Homecoming . . . Delta Sigma Epsilon is proud of the girls who are wearing cream and green ribbons . . . They are Janet Trost, Aletha Butler, Virginia Melbourne, Jean Ackley, Jo Ellen Anderson, Shirley Heits, Beverly Thompson, Lauretta Taylor, Sally Bolin, Lois Kelley, Marcia Ely, and Norma Gladstone.

These girls got a first taste of Delta hospitality at a coke party in the chapter room on October 5 . . . pledging ceremonies will take place on Thursday, October 8.

Beverly Pop Moore just loves to display her wedding pictures to anyone who will look . . . last year's president, Barb Hudson, teaching in Iowa, getting interested in animals and veterinarians . . . Lucille Steinhouser and Jeanne Powell hungrily planning the luncheon for home ec teachers.

Wilma Jones married her tall Roger Wilcoxen . . . Carolyn Butt, an alum, spent the summer in Puerto Rico and liked it so well she is going back . . . Lizabet, the Buick, had quite a week . . . first the birds by the courthouse, then a dead battery among the trees in Roadside Park . . . newest addition to the chapter room . . . a wall protector around the light switch.

Alpha Sigmas

Alpha Sigs, with an eager eye for money, organized and gave a candy sale at the teachers' meeting last Thursday. Smiling faces arrayed behind tempting mounds of fudge proved to be a very profitable combination.

Another money-making project was given Thursday evening. At the teachers' square dance, the "red coats" kept a steady stream of refreshments flowing.

Homecoming committees have been appointed for the forthcoming celebration. They are skit committee, Jacky Adams, Kan Milligan; house decorations, Annie Lou Cowan; float, Mallard Maune; float, Lona Lou Moore; Founders' Day dinner, Phyllis Riegel.

Twenty-three bright young ladies solemnly pledged their support to Alpha Sigma Alpha last Monday afternoon. In a ceremony complete with white carnation corsages, the following girls joined the Alphas. They are Darlene Case, Nancy Kariger, Nancy Rainey, Nancy Menefee, Molly Koffman.

Mary Masters, Sandra Almquist, Virginia Watkins, Wanda Dugger, Joyce Hamilton, Kay Ferguson, Pat Adams, Arlene Crockett, Pat Cooper, Kay Schilling, Gwenda Barnes, Doris McKinley, Janet McClard, Jean Goodsen, Jo Anne Williams, Bette Bell Pitts, Shirley Motsinger, and Carolyn Baker.

Jefferson City Guests Visit Here

Mr. and Mrs. A. H. (Bert) Cooper, Jefferson City, visited friends in Maryville and relatives in the county over the weekend and Mr. Cooper attended the teachers meeting.

Howard Davis Is Assembly Speaker

Dr. Howard Pierce Davis, noted lecturer, was the featured speaker at assembly last week. Dr. Davis chose to speak concerning "The American Heritage."

He said that he is definitely not a professional optimist as far as world affairs are concerned. In his opinion, we are an impulsive people, and arrogant because we are powerful.

Dr. Davis also stated that he feels that we are constantly contradicting ourselves in foreign and domestic policies. He discussed several historical instances which served to strengthen his point.

We are to retain freedom at all costs, says Davis, and he added that Russia will eventually destroy herself if she is rotten inside. Otherwise she may have something that we should know about.

Bold dreamers are desperately needed in the world today according to Dr. Davis, and it is his opinion that we can either save ourselves or lose ourselves in pioneering for peace.

Pi Omega Pi

Beta Chapter of Pi Omega Pi met for a dinner meeting Monday evening, October 5, in the Lakeview Dining Room.

Names for possible pledges were submitted to the group. In order to become a pledge of Pi Omega Pi, a student must have an 8 average in business and education courses, and an M average in other courses.

Homecoming plans were discussed by the group. The annual luncheon will be at 11:45 a.m. in the Lakeview Dining Room, October 24. All Pi Omega Pi alumni members are invited to attend.

Who Wins Supremacy Trophy? .. Sigma Sigmas

Who will win the Homecoming Supremacy Trophy this year? Since 1948 when the award was first initiated, a spirited rivalry has developed between the various campus organizations for possession of this coveted award.

Five years ago Phi Omega and Sigma Tau Gamma battled down to the wire with the latter winning by a shade. Since that time Alpha Sigma Alpha has won a leg on the trophy three times and retired it permanently. Now a beautiful new trophy will be instituted.

Possession of the trophy is determined by a point basis. Each of the first five place winners in the variety show; house decorations; parade participation; and general all-around spirit, cooperation, and participation win points on a 5-4-3-2-1 basis. Each organization having a function for its alumni also win a point.

Generally speaking, the winner cannot be determined until Homecoming is all over. Clean-up, returning of borrowed property, and other jobs are assessed in the record of the organization.

Responsibility assumed by the representative on the general committee is also a factor, as well as the response of an organization to various requests for help, such as mailing programs to alumni or helping make and put up or take down campus or dance decorations. All these reflect in all-around spirit and participation.

Three times in five years, organizations tied for the lead. The Independents and Sigma Sigma Sigmas each had their names twice on the trophy, but now they must start over on the new award as the Alphas have the old one in their possession.

What organization will win the first leg on the new cup? The way you perform may help your organization realize that aim. Don't fail to do your part.—Dr. John Harr, general Homecoming committee chairman.

Horace Mann Has Independent Club Many Teachers in Special Training

A smaller number of students are enrolled in directed teaching in the Horace Mann Laboratory School this fall semester than were enrolled in the fall of 1952. The reason is a smaller senior class this year.

Students teaching in the elementary school are the following: Helen Adams, sixth grade; Marilyn Anderson, first grade; Joyce Baker, nursery school; Pat Coulthard, third grade; Dianne Davenport, kindergarten; Georgia Ferguson, third grade; Leona Hall, fifth grade; Ella Ray Hankins, first grade; Lucille Hunziger, second grade; Wanda Kingsolver, sixth grade; Lois Martin, third grade; Lavon Mattee, second grade; Sue McCoppin, first grade; Beverly Moore, first grade; Dixie Moorehouse, second grade; Lola Munshaw, fifth grade; Phyllis Reed, second grade; Joan Sharp, nursery and first grade; Mary Shipton, first grade; Joe Sickles, fifth grade and junior high.

Students teaching the junior, senior high school are the following: Jerry Agee, music in elementary school; Frank E. Babb, English; Virginia Barger, business; George Barratt, math, in an off-campus student teaching program; Warren Brown, music in elementary and high school; Mary Ann Davis, junior high; Mrs. Leola H. Hall, English; Georgia Harnes, music in elementary and high school; Sue Hood, home economics; Duane F. Hopkins, industrial arts; Rita J. Hunter, business; Mallerd Maune, physical education (girls); Wanda Mantzey, business; Mildred Maxon, home economics; Kenneth E. Miller, music in elementary and high school; Richard W. Miller, junior high ind. arts.; Donald McKown, science (physics); William Norton, physical education (boys); Stanley K. Ogden, physical education (boys); Don Palmer, drivers' education; Jean Richardson, business; Don N. Silcott, math.; Allen L. Spies, music in elementary and high school; Dean L. Stuck, physical education (boys); Melvin L. Twaddle, mathematics, two classes in social science; Audra Williams, social science; Howard Wollen, business.

Monday night, October 12, the freshman girls entertained the other girls living in Residence Hall with a party after closing hours.

Sigma Sigma Sigma sorority is pleased to welcome twenty girls as new members. With the twenty-eight old members, this will make the group a total of forty-eight members.

New pledges are Kathryn Tobin, Patty Boydston, Greta Garten, Shirley Willson, Jean Ann Ward, Ruth Tebow, Helen Colville, Carolyn Curfman, Susie Phipps, Darlene Stamp, Marilyn O'Connor, Mary Ann Funkhouser, Phyllis Jones, Barbara Nixon, Barbara Lamar, Barbara Fox, Sally Jackson, Sherry Grindstaff, Marcia Wilhoit, and Helen Derby.

Monday evening, October 5, at 4:30, the active members entertained the pledges with a coke party in the chapter room. All the plaques and trophies were displayed. The girls enjoyed looking at the scrapbooks of past years. The party ended with the president, Lois Kemper, pinning a purple and white ribbon on each of the new girls.

Intermediate Club

Members of the Intermediate Club held their regular meeting in the Gold Room of the Union on October 7.

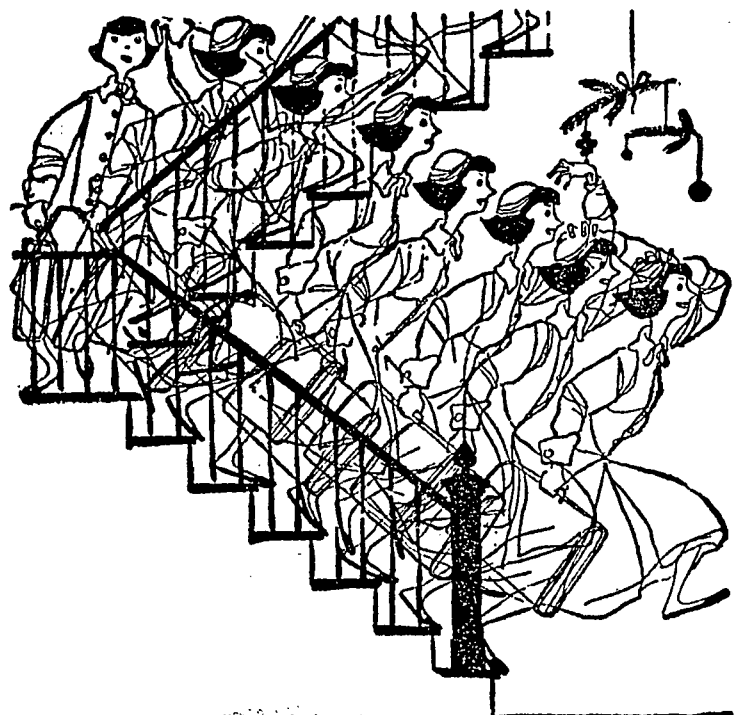

Beverly Goodrich, chairman of the float committee, reported on plans for the float.

The following officers were elected to serve this year: president, Louise Novinger; vice-president, Mary Carter; secretary, Pat Boydston; treasurer, Gerald James.

Newman Club

On September 24, the first meeting of the Newman Club was held in the Lakeview room of the Union with the president, Pat Baker, presiding. Irene Schmidt was elected secretary, and Rosalie Graham was appointed reporter.

Under the direction of Father Buhman and the sponsor, Mr. Elwyn DeVore, the members will continue to meet each Thursday night.

Bearcats Hope to Celebrate "Dads" Night—Win Over Tigers

Both Teams Looking For Second Win of Season.

Coach Ryland Milner's Maryville Bearcats hope to spoil Ft. Hays invasion of Memorial Stadium Friday night by coming up with their second victory of the year. Special ceremonies honoring "Dads" of Maryville football players will highlight this, the second home game of the season.

Both teams come into Friday night's play still hunting for win number two. Hays has beaten only Southwestern Kansas while losing to St. Benedict's Omaha University and tying Pittsburg.

Gene Jacob and "Kayo" MacGillivray, both three year letterman, run from the halfback spots and are brilliant open field runners.

Up front, Curtis DeBey, Charles Stahl, Don Rorabaugh and Alan Feist are all veteran linemen that are expected to give the Maryville forwards plenty of trouble.

Maryville's hopes for the much needed win is dependent on the offensive attack to come up with a sixty minute performance. At no time this year has the Maryville attack been able to function throughout an entire game.

Lack of experienced quarterbacking has hindered the Green and White in past games but with the season at the mid-way point Coach Ryland Milner expects freshman signal callers, Darrell Walker and Ron O'Dell, to be ready to come up with a standout game.

With no one seriously hurt against Springfield and with high hopes that Dave Meyers, the freshman fullback, will be able to go, the 'Cats should be in their best physical condition of the season.

After Hays, the locals make ready for Warrensburg's Homecoming invasion and for Cape Girardeau, both conference games and both important to the Maryville cause for MIAA championship hopes.

Basketballers To Workout

Basketball practice gets underway tomorrow when Coach Dale Kessinger expects 80 candidates to report for the initial workout.

Lettermen from last year include John Garner, Maurice Ingram, Eddie Hightree, Ono Monachino and Bill Baldwin. Monachino and Baldwin will not report until the football season ends.

A good number of freshmen and transfer students offer to give Kessinger some outstanding material for the 53-54 squad.

Maryville Dominates Game Through First Thirty Minutes.

Springfield completely outplayed Maryville in the second half at Springfield Saturday night to post a 13-0 shutout of the Bearcats in an MIAA conference game.

After pushing the Bears all over the field during the first thirty minutes of action, Coach Ryland Milner's club collapsed under the heavy ground attack of the Bears to wither away in the final two quarters.

Jackie Clingan, Ralph Colby, Paul Hulsof and Merrel Rodgers were the big guns in the winning Bears' attack.

Clingan climaxed a 78 yard third quarter drive by skirting right end from 11 yards out for the game's initial touchdown. Ben Koene-man's attempt for the extra point was blocked.

An intercepted Maryville pass on the 'Cats own 30 yard line paved the way for the game's final score with slightly less than three minutes remaining to play.

Hulsof was the villain this time, breaking over his own right tackle and then veering sharply to his left to outdistance the Bearcat defenders all the way for the score. Koene-man's conversion was good for the 13th point.

Maryville made only one serious threat the whole game and that was in the waning minutes of the first half when a 20 yard pass play from Darrell Walker to Don Black moved the ball to the opponents' 2 yard line. Four plays later the Bears took over by pushing back to the six.

The second half was entirely Springfield with Maryville making only a few threatening drives that always ended with fumbles or pass interceptions.

Don Black, Carl Leffingwell, Don Palmer and Bill Baldwin stood out for the Green and White's losing cause.
